My condolences to the family. I worked with Iris at the Moose Jaw Public Library. She taught me a lot about working behind the scene in a library. She remembered her past co-workers by hosting fun Christmas parties that were much appreciated.

Dear Dave and family:
We want to tell you that we are so sorry for the loss of Iris this side of Heaven. She was a wonderful lady, full of joy and hospitality, with a huge servant heart. She loved Jesus so very much and was an excellent reflection of Him. She loved each of you very deeply because she had shared that with us. May Jesus be your strength and comfort when the missing her hurts too much.
