Sending out love and Prayers to Lori's family. She is resting in heaven now with her family that have predeceased her. Lori is good friends with Ronda Hoffman who also passed a few hours before Lori. They were both at the Hospital together. They were living a life of pain. Now they are in God's arms and he will cradle them back to a life of no pain. He has his hands full with those two I tell you. But he will enjoy their company love both of you.

Sorry to hear such sad news.

I hope her Loved ones will lean on each other to get through these times.

I've known Lori all our lives and I know that my world will be 'less than' without her in it.

Rest easy old friend, I'll see you when I get there. Bye for now.
