I don't know anyone who had a better laugh than Sharon. I last saw her in Calgary this past summer and after she told us what was happening with her health, we just

put that news away and told stories and laughed. Over the years there were lots of good times with Sharon and Gordon.

Darlene, you're going to miss your Sister, all the miles you travelled, what memories the 2 of you shared. My condolences to all of Sharon's family from me and my family.

My condolences to all of Sharon's family. We met at Pioneer Lodge where I was visiting my husband, so we only knew each other a very short while. We took an instant liking to each other and I wish we could have had more time. I miss her. Rest in peace Sharon

Our condolences to son Derrick and sister Darlene. Gordon and I grew up together in Caron RM and remained friends throughout life. Have extremely fond memories of mischief we got into, marriage to Sharon, farm visits, holidays together, my second marriage to which Gordon & Sharon spent with my new wife and I on our honeymoon.

These old age "Golden Years" are not quite living up to what I anticipated, however the wonderful memories will always live on.
