Christin Andrews and Family

On behalf of all Patricias I offer our condolences on the passing of Jason Andrews. While I do not think that I knew Jason personally, his service to the Regiment and the country speaks for itself. All should be proud of what Jason did, and we thank the family for the support they provided to Jason and which made this service to Canada possible. Thank you all.

Christin and Victoria
It has been an extremely long time since we spoke or saw each other.
I babysat Victoria a very long time ago when I lived in Winnipeg. I see she has grown to be a beautiful woman.
I came across this obituary and wanted to express how very sorry I am for your loss.
If you want to talk or anything you can email me

Sincerely
