Karen was a great big sister and she enjoyed life wholeheartedly. Her love of her family was a close race to her love of Halloween. We always looked forward every year to her haunted Halloween post. She will be missed.

I was saddened to hear about Karen's passing. She worked at CP for many years and was well respected in her time in the yard office. I will always remember her generosity as she always brought baking and oranges for the running trades at Christmas time. My condolences to all her family and friends.
