Shelley Maureen Bader

Shelley Maureen Bader, 67, of Moose Jaw, SK, passed away peacefully on May 16th, 2021 after a 15 year battle with breast cancer.

Shelley was born on April 20, 1954 to Archie and Donna Campbell in Swift Current, SK. After graduating from high school, she went on to study at Aldersgate College and attended 1 year at the University of Regina.

Shelley obtained her first job at the Sears Catalogue Centre in Regina. She moved on to work at Markham Florists and then

managed Dominion Flowers & Cards. Shelley was involved in the Welcome Wagon in Swift Current, SK, and taught Yamaha Music for Young Children in her home studio. Shelley was a committed and supportive wife working as the receptionist for her husband Ron at his law firm for many years, whenever needed. The two of them started an event coordinating business organizing numerous craft sales over the past 25 years. Following the loss of her husband Ron in 2009, Shelley stepped back into the workforce after 35+ years as a homemaker and office assistant to Ron, and took on an administrative position at Moose Jaw Naturopathic Clinic and also worked part time at the First Free Methodist Church in the office. The position at Moose Jaw Naturopathic Clinic led to an opportunity to work for Dr. Lynn Chaisson when she opened her own practice, Main Street Naturopathic Clinic. Shelley thrived as the administrative assistant, learning in depth about the services and supplements that Dr. Chaisson offers to her patients.

In 1973, Shelley met Ronald George Bader at a College & Career event hosted by Ron's sister Rosalie Bader. Rosalie and Shelley were extremely close friends and soon to be sister's-in-law. Ron and Shelley immediately hit it off and married a year later on December 28, 1974 in Regina, SK. Ron and Shelley moved to Swift Current, SK, in June 1976. They adopted their first child, Melissa, in 1982 and their second child, Matthew in 1987, making their family unit complete.

When Melissa and Matthew came into Ron and Shelley's lives, Shelley dedicated her life to being a fantastic and wonderful mother. Shelley excelled at supporting her children in all their endeavours. She made birthdays and holidays special with seasonal themed lunches, decorations, activities and elaborate birthday cakes that everyone loved.

Faith and Family was most important to Shelley. Family to her included the numerous close friends she developed over the years and held dearly to her heart. Shelley always supported her family and friends through the many passions and difficulties of their lives. She was a devoted daughter and sister to her parents and siblings, always staying in close contact and supporting in any way that she could. She was always the first one there to help, and the last one to leave. She made it her

mission to improve the lives of others.

Shelley was most passionate, however, about her grandsons. There was nothing in the world that meant more to her than her boys. She showed them unconditional love in ways that only a grandmother can, and she soaked up every last drop of love from them that she could as well. There was plenty of love to go around when it came to Shelley and her boys. When she wasn't showering her grandson's with warmth and kindness, she could be found taking care of her other family and friends. She never missed a birthday, anniversary, or any date of importance for anyone she knew. She was always reaching out with support to all of her loved ones. We will miss her greatly.

Shelley was predeceased by her husband, Ron Bader, parents, Archie & Donna Campbell, parents-in-law, Gus and Elsie Bader, and sister-in-law, Rosalie Bader. She is survived by her children **Melissa** (Steven) Schiml & **Matthew** (Kimber) Bader, her four grandson's Brayden & Riley Bader, Grayson & Ryker Schiml, her brother Don Campbell, sister Heather (Randy) Miller, her sister-in-law Joy (Dave) Nelson, as well as all her nieces and nephews.

Due to the restrictions regarding the current health situation, a Private Family Service will be held. Friends and Family are invited to view the Celebration of Shelley's Life virtually on Friday, June 4th, 2021 at 1:00 p.m. by going to

Cousin Shelley was a special cousin and friend. The Campbell family were so special to our family.

It was great to see Shelley and Ron work through with

their little family over the years. She was so talented in so many different things – her craft show was an annual favourite in Saskatchewan.

Thank you for being part of our lives.

A special thanks to Heather and Shelley's kids and their families through her years of suffering.

We look forward to watching with the family the Celebration of Shelley's life.

Shelley was a wonderful friend who God brought into my life as a teen when she lived in Georgetown Ontario for a few years. We sang together at Maple Ave Baptist Church, attended youth group and high school together and were great friends. She was a gift of Christian friendship . I know that she is with the Lord and we will all see her again in Gods good time. Praying for His comfort for her family.

It was an amazing journey with Shelley as she shared the last months of her life with me. We had adventures in the snow storms! We had quiet times in her condo! We had conversations of life and death! While I myself will miss those times and more, hugs to her family and friends who knew her better and longer than I did.

We were so sorry to hear of Shelly's passing. Whenever we saw her, even though she was struggling she had that infectious smile and laugh. We will always remember the sound of her laughter. She will be missed by all that knew and appreciated her.

She entered my life for too short a time, but her faith, her smile, her laughter, together with her resolve "to make lemonade when she was handed lemons" gave me lessons

I can carry forward in her name!!!
