My sincere condolences to Shelley, Daryl and families. Your Mom was truly one of the most loving people I have ever had the joy of meeting. Not only was she my friends Mom but a wonderful person to work with at Sears. Your Mom put in a good word to HR on the day I applied. I'm sure that's why I got the job. A beautiful smile for everyone, fun to be around and always so kind. No words will take away the heartache of losing your Mom. May your abundant memories always bring you joy. Thinking of you at this difficult time.

Dear Shelley And Debbie

So very sorry to know of your Mom's passing.

I used to see her regularly at the mall on Thursdays and we had many chats.

Helen was so very nice over the many years I have known her.

May all of the memories of the happy times you had together help you during this difficult time.

My deepest sympathies go out to you and your families.

Rest in peace Helen.

My deepest condolences go out to you
