George Bastell

In loving memory of **George Bastell** aged 93 years, passed away on Saturday, March 1st, 2025, leaving a legacy of kindness, generosity, and unwavering optimism. Born October 14th, 1931 in Rockwood, Ontario to mother, Qwenavera and father, Robert Bastell. George was one of eight children. George was married three times and is survived by three children, Mark, Brenda, and Miles, and grandson Kent. He spent many years employed as a rigger in the oil fields of Alberta. George enjoyed swimming, skating, gardening, suntanning, and volunteering. George was a dedicated volunteer at Moose Jaw & District Senior Center (Timothy Eaton). George devoted his time to selling tickets for fundraisers, 50-50 draws, and supper, always with a smile and warm greeting. George was a man who would give you the shirt off his back, believing wholeheartedly in the good in everyone.

His sense of humour and gentle spirit made him a joy to be around. Sunshine was his happy place and whenever he was out tanning, his favourite hat was right there with him. Material possession meant little to George. What matter most was people, laughter, and the connections he made. He welcomed all with open arms, never judging, always accepting. Special people in George's life include Gord, Tina and Tanya. Corgi, his dog, was his special companion. Although he is no longer with us, his legacy of love and warmth lives on in the hearts of those who had the privilege of knowing him and calling him friend. Many thanks to the caregivers of Five Hills Health Region who cared for George with professionalism and kindness.

"A day without laughter, is a day wasted" – George

"The spirit never ages. It stays forever young." – George

George was one of the good guys.
Always enjoyed chatting with him at Eatons.

That picture is exactly how I'll always remember George. He always had a smile on his face and something good to say. We became friends when he discovered we had a cottage on the East Shore just a few miles from his former

residence in the Sanca Creek area. I've really missed seeing him at Eatons. I never could say no when he asked me to buy a ticket for anything LOL Great memories of a great guy. We miss you, George.
