Dear, Gamma Dorothy

Its your grandson Mark here. Oddly enough I haven't spoken with you in more than a decade! Way too long if you ask me?! Ironically enough my sister (Krystle) and I were talking on the telly only a week ago, and she brought it to my attention you were in the hospital! At the time I didn't really take heed to this information, I guess I thought you'd always be there almost like an immortal!! As I write this Post it finally makes sense to me why I think of u as an immortal: it's because my memories of our times together will always keep you alive in my heart!!! Maybe not in the Physical realm But, in the the Spiritual & Emotional 1 FOREVER!!! Love U GAMMA Dorothy xoxo  
Your Grandson, Mark Hagen
