To Wendy and children, dad Leo and siblings Nancy, Garney and Michelle.

Hearing of Larry's passing was very difficult to understand and I know for all of you and also his friends also difficult to accept. Growing up in Ernfold and being close to the entire Behm family, I have so many memories of our good times as kids. I spent many, many hours at the Behm household as Terrie and I were close friends with all four kids and continue to this day to maintain and cherish those friendships. Larry was truly a wonderful guy and when I think of him I can almost hear his laugh. It was his alone and he used it often. You will all have so many memories of Larry, as I do. May this help you all through this extremely difficult time. I know he loved you all. RIP Larry. You will be missed.

A shock to see Larry's obituary and condolences from the Poh family to the Behm Family's. Taken To Young and To Soon. In our younger days I spent many an hour bouncing pucks or balls of the side of The Behm house in Ernfold. Played ball with Larry and had some good laughs and when we got old enough we had a few laughs and cool one or two after playing ball at a few sports days. Our loss is Heavens gain and it got a good one. Rest In Peace my friend.
