I met Vern when I moved into High Park Towers in 2010 and we became quite good friends.

I am going to miss our little morning jaunts around town and of course our first stop was

JGL Livestock to see the "Kews" . After our little drive it was to the casino. Dawna Donut(as Vern called her) and I are going to miss Vern a lot. Our sincere condolences to Vern's family. RIP pal.

I met Archie at the casino, and I could always look forward to a laugh! He was also such a likeable guy, and spoke to me often about his wife, and how much he missed her. You could tell he was liked by many, an ex- rail roader and such a gentleman! I haven't seen him for a while, due to covid, but he will be missed by many

Vern was like family to all of us at the Casino. We looked forward to seeing his smiling face at 9am. He loved to joke around with us as much as we loved to give it right back. He was such a genuine nice and funny guy. He will be greatly missed by many. My condolences to all
