I met Donna in 1977, I worked for Prairie Coax and had moved to Moose Jaw the year before. I loved Donna from the moment I met her. I was so lonely for a friendly face. My hubby and I joined her in a slow pitch team, then followed into volleyball and basketball. So much fun! I continued to enjoy her company for several years until we moved to Alberta. She was such a joy and always, always had a smile on her face, I was saddened to read of her passing.
