Our deepest sympathy to Glen,family,Dwight and Coralee. Growing up in Riverhurst with the Krislock family we all had lots of connections, the swimming pool, the rink, guides, brownies, cubs and scouts. As our lives all took us away from this little village it remained home to a lot of kids who grew up there. Lynette was a part of this community and it is with great sadness that we hear of her passing. From the Anderson family

Glen and family…our last memory of you and Lynette was a few years ago at Riverhurst when we stopped to see you at the house…chatting in the backyard and recalling my youth at the house with all the Krislock's was fun…Lynette suggested we all go for a boat ride on the lake…Glen attached the boat and away we(with our dog Billy) went…great day, great weather, great conversation…that was a few years ago now but this brings all memories back to mind…now sadness at your loss…our deepest sympathy to you and family…cousin Gary and Darlene Dawson, Calgary

Glen and Family
Our condolences to you and your family.
We have many memories of Lynette over the years with camping at Craven, Riverhurst gatherings and visits with both of you in Saskatoon over the past few years.
She was a very kind fun and giving person.
We are very sorry we cannot attend her Funeral Service on Saturday due to personal medical reasons.

Lynette will be missed by all those she touched during her life.
We will long remember her for the fun times camping at Craven and Riverhurst, fishing trips, The Barn Playhouse and Saskatoon pie, Vegas casinos, and the companionship while Cruising or travelling in Costa Rica and Colombia.
Our deepest condolences to you Glen and to your family and friends that she held so close to her heart.
