So sorry to hear of Wendy's passing. We went to school together at Riverview and STI. We had kept in touch for a few years but haven't seen her since her Dad passed away. Thinking of you all.

I wish to express my condolences to Wendy's family and friends – especially Marj, on Wendy's passing. She was a special friend I truly appreciated and admired. We worked together over many years in the Provincial Parks Branch and in retirement we visited both here on the west coast in Sidney, BC and when we visited Regina. Though the visits were infrequent I believe they were enjoyed and cherished by us both.

I fondly remember Wendy as a proud and independent woman who loved her roots – her family, the farm, Moose Jaw, and her country! She was an avid gardener and her best advice to me was pretty basic – it's the soil, you have to have good soil! She was also a kind Lady, often helping those less fortunate by hiring them to do odd jobs. She also helped develop my children's early musical talents by teaching them to play the piano for enjoyment. She is missed.

My condolences to the Boyle family. The photo in the obituary shows so much that was Wendy: her connection to animals; her confidence; her joy in living. Something humourous, exciting or intense always seemed come along with her. I'm glad to have known Wendy.
