We were so sorry to hear about the passing of Henry. Although our families were distant, it is always sad to hear about the loss of a loved one. We can all rest assured however that he is in the memory of the creator and he promises that the day will come when we will see Henry alive again. John 5:28,29. We are thinking about the family at this time and wish to say that we want to express our love and comfort to all that get to read this. Gordon and Esther Dyck.
