Hearing about the passing of Mrs. Budge has made us very sad. "Madam Benoit" as we called her was a warm, loving, kind woman who made the best blueberry pies from the wild blue berries we used to pick together. She and Ken befriended us, two crazy fishermen from Ontario, and welcomed us into their home each and every year we travelled to Longlac. We will cherish all the wonderful memories every time we look at the wonderful paintings made by Pierrette. Please accept our deepest condolence.
