My sympathy to Dianne's family, sisters, brothers, and children.

Dianne was part of my extended family and one who made an effort to keep in touch as her health allowed.

I am so glad that I was able to have a short visit with her in June, never suspecting that it would be our last.

I would like to extend my sympathies to Diane's family. I loved, loved Diane and her kind and thoughtful heart . I was truly saddened to hear of her passing. Diane actually helped my Mom's transition to Extendicare easier including her in activities and getting a four hand cribbage game going.
