To Sam and the rest of the family, please accept my heartfelt sympathy on the loss of your beautiful mother and grandmother.

I only knew her thru Brady, but everything I heard about her made me admire her.

She was a strong woman and I know you will pass her strength on down through the family by sharing stories of her with them. Thinking of you all.

What a beautiful picture of your Mom. She was always a pleasure to run into or see, she was a wonderful mother and grandmother which I seen first hand. Never wanted any babysitter or Daycare to watch her grand kids even at times when her arthritis was flared up she still managed

to take care of business, she made the best spring rolls. I know that. She had a good sense of humor always would have a few laughs when we would see each other. You will be missed dearly Mon Chey, by your Dear Family and friends, you rest in peace now, you are so deserving. May God Bless you.

What an amazing person! I had the pleasure of being on a few trips with her and she never slowed down. Kept walking and walking with the rest of us just enjoying travelling and seeing the world. Her heart of gold always kept giving and loving. Her spring rolls were the best ever. I will miss you Mon.
