What a hard working tradesman, if you wanted a job done right you called Terry. Thanks for all the good laughs my friend, we always shared a real good laugh, no matter what. See you on the other side, l'll be listening for the sound of your laughter.

I use to stop by on occasion to the garage on Atha east visit with Terry and the boys and enjoyed a cold beverage

. If you needed something done right the first time he was the go to guy ,great sense of humor but always a professional . I did not see much of him the last 5 years or so . Weird Moose Jaw is not that big but just never seen him my sympathy to family and friends.
