I remember square dancing with Vi and Harold at Newberry and Baildon back in the 1960's and 70's

If family is one of nature's masterpieces, Auntie Violet

achieved a major work of art. Auntie Vi had so much power and love packed into such a small package. Your soul lives on in the hearts of the people you touched. Your family's legacy and your family's future are secure. May God grant you the peace and rest you've earned for a long-life that was well-lived. With heartfelt sympathy to the Clothier family.
