Ron and family, I got to know your Mom and we enjoyed many conversations, solving many of the worlds problems. She was smart and hardworking and I looked forward to your visits. I hope your memories will make the days ahead easier for you. Deb Gibson

Thoughts and prayers for you and your families. Ruby was a wonderful lady who we got to know through Peter. Heaven has a new angel to watch over her loved ones she had to leave behind here on earth and to catch up with those who have gone on before her. May she Rest in Peace.
