I so often reminisce about how close our families were as kids and all the eventful activities we had. I loved riding my horse over to their farm and Paul was there to help look after the horse for me. He was always there to help cousin Terry Miller get into the saddle of Paul's horse so Terry and I could ride back to Percy and Pearl's. The spring and fall roundups of the Daniel families. G, Yvette, Kirk and family please accept Joan and my sincere

condolences. Gone but certainly not forgotten.
