I miss you so much Grandpa, I’m thinking of you a ton tonight. I wish you could of met your great granddaughter, I know you would be so proud I used Winnie’s name. I love you and know your happy dancing with her.

I well remember the late R.V.. he always answered his phone by saying “Davies”.. always in a stern voice..

Here it is the 21’st day of 2021 almost eight years ago.. Most people on the C P railway would be concerned if they were called into his office for doing something wrong .. I never backed away from his sharp voice only once did I sit across the desk from him. He wanted me to change my statement about an accident, I replied no Mr. Davies I’m telling the truth, I then vacated `his office.. Thus from that day till retirement ,we respected each other.
Rest in peace Bob.
