To Anna's Family; Anna and I went to school together and remained friends for the years since. We often connected for a visit and she was always so happy and easy to chat with, always pleased to run into her old friends from school. We send our deepest sympathy to you on her passing. I hope the many happy memories you have will sustain you during this sad time. I know I will miss her visits and chats! Darla

She helped to spread joy to so many seniors while she played with Olga & Friends in the nursing homes in Moose Jaw and also at senior suppers down at the COOP. Mom was always happy to see Anna and they knew each other from farming days.I also know Anna enjoyed being a Red Hatter for several years until it became too hard to get out. She made so many people smile. God Bless.

Anna and I went to school in Mazenod and had a good friendship during our time in Moose Jaw. We even shared an apartment in a boarding house and then each had our own suites in that same house. When Anna and Leo married and I followed my career to Calgary we lost touch but I have always valued the time when Anna and I were friends.

Happy memories of a truly gifted person who claimed she “made a little fool of myself” to win an entertainment contest. When T hear the ‘Ave Maria” I remember her beautiful rendition in her alto voice. Love to you all who were blessed to know her/

I remember Anna always had a smile and was also interested in speaking with me when I was a child. Just with one look, she gave respect and kindness. Seeing her picture brought back fond memories of her.
My deepest sympathies to all the family.
