Ab was a good friend of my father, Percy Lasby. I always enjoyed it when he would drop by and have a coffee on a rainy day. He had names for all the neighbours including my dad who he called Columbo because he looked just like him when he wore the light overcoat. I still have Ab on super 8 video with sound and my dad doing an interview with him at the kitchen table for fun. Although I live in Surrey now on the West Coast I actually phoned Ab and had a quick chat with him awhile a few years before he passed. He was a loyal friend to my dad and was always polite to myself.
