We were so shocked and deeply saddened to hear of Bev's passing. I loved working with her at St. Andrew's Church.

She was such a wonderful, kind, caring, gentle, peaceful voiced lady. We had quite a few interesting stories of our

time working together. She was had such a calming effect when exciting events happened. I am sure she will be missed by all who knew her. Rest in peace dear Bev. Big HUGS to all of her family.

Gary, Tanya and Wade, we are so sorry to hear about Bev. In the years since we left the farm, we've talked many times about missing our coffee times with Bev and Gary. Bev was always so happy and upbeat, and we couldn't have asked for a better neighbor. We are praying for you guys, and we do wish we could be there for you at this sad time !

Very sorry to hear this about Bev. I worked with her for a few years at the Saskatchewan Conference office when she first started working there. I remember well her generous sense of humour and her ready smile. And her kindness. Much care and sympathy to all who hold Bev especially close.

Dear Gary, Tanya and Wade,

I am so sad to learn of Bev's death. She truly was a special person. I was blessed to have her as a generous, caring colleague in Conference Office for 7 years. Bev was the one who kept all of us grounded. While the program staff scurried around the conference Bev was the anchor we could depend upon. We knew that with her guidance things would be in capable hands and she would manage whatever crisis would arise. She was like "the Mom" of the office.

I recall countless times saying, or hear someone say:

"Bev, do you know where I can find... Can you show me how to... "

and Bev would graciously fulfill our needs. She will be dearly missed and I send my love as you face the days ahead without her. Grace and peace.
