Remember the good times and Flo will always be with you. I remember her being at Mom's when she was getting married the second time Mom was standing up for her and it was funny to listen to those two

Doug, Donna, Kelly and families of Florance...We are so glad we had the opportunity to visit your Mom last fall. We are sorry for your loss of a wonderful Mom, Grandma and friend to many. We have memories like twice a week making that trip to see your Mom for Ron's allergy injections. The time Dad broke his collar bone and Mom called Florence to convince Dad to go to the hospital... she did and he did! Our thoughts and prayers are with you all! Rest in Peace beautiful lady!.

Florence will be truly missed. She was an active person in Church & Community. Always sent birthday & sympathy cards to families. When we lived at Caleb she led exercise classes. Thanks for everything Florence.

Some of my fondest childhood memories are of the many hours I spent at the Binner house playing with Dale, Doug, Kerry and Donna.

Florence was always so welcoming and kind. My sincere condolences to the family as you grieve the loss of such a wonderful Mother and Grandma.

Another of the old timers gone, Teresa(Fawcett) remembers their store in Parkbeg with numerous trips from the farm and the hospitable Binnars welcoming them at the store. My brother Bill went with Kerry for a while and also lived with Dale while they were going to Tech in Moose Jaw, very nice family and our best to all of them.
