Our world has lost an enigmatic soul, how sad for us all. He shared his knowledge, his wit and was never at a loss for words. He will not soon be forgotten, the memories of him will carry us all through the grief. For his family the memories will get you through. He was happy and fun, he will be missed.

Cousin Ed (Jess) we will miss u. So many good times, curling, football games, and drives around the country to check “crops”, even fishing off the shore at Long Lake

because you wouldn’t get in a boat! May u party on in heaven with all the family. And always had a riot playing cards with u.
