John was such a kind, friendly man. He always used to visit me when we were both out on our walks or his daily coffee at the casino. His kind, gentle and teasing nature reminded me of my late grandfather. I will relay miss this wonderful man. My thoughts are prayers are with his family during this time.

I’m very saddened to hear of Johns passing. I go into his building for work and used to run into him all the time there or at Walmart where he was sitting with a coffee and people watching. We always had a good visit and some laughs. My deepest sympathy to his family.

Deepest sympathy Sandra and family. He always had a tooth pick in his mouth and had that good sense of humor. I know he loved to visit at Tim's.

I remember John well. He often visited Stadacona Gospel Chapel in the past. He was a quiet man with a big smile. I remember his daughter also and extend my sympathy to her. He was a good man and he has gone to his reward.
