So sorry for your loss. I enjoyed working with Randy at TransGas. We had some good trips to our field locations for meetings! It's funny that I ran into a few friends this week in Mexico and we chatted about Randy – we had all worked for/with him. My thoughts are with you and send my sincerest sympathies.

We would like to extend our sincerest sympathies to you Debbie, and to your family on Randy's passing. Randy was a competent co-worker to many in his service to SaskPower and then SaskEnergy/TransGas in providing reliable natural gas delivery to Saskatchewan communities. "Job well done Randy". Meetings for coffee in Moose Jaw after our retirements are good memories too.
