Colleen, Katelyn, Janelle, Brendon and families,

It was truly an honour to know Brian. I will always remember his kindness and his genuine, caring nature. He will be missed by so many. It's so awesome to know that he is spending eternity with his Heavenly Father, and that he was reunited with his earthly dad. Find comfort in the memories you have and hold them close. We are praying for you at this difficult time in your lives.

Nothing can take away the pain of losing someone who is the world to you. But please know that for those of us who have worked with Brian, that he was the most wonderful and caring soul that anyone could ever meet. Always remember the saying that only the good die young. And for Brian that is so true. I worked with Brian for years and that was the best part of my carrier and always with be. What a perfect sense of humor he had. Hugs
