Our sincere sympathies to all the family in the passing of my very dear Auntie Gwen (or Gwenie as my Mom would call her). I have so many positive memories of our summer visits to Moose Jaw when we lived in southern Saskatchewan...sometimes with family and sometimes on my own via Greyhound. Too many to mention but the picnics in the Wild Animal Park, the visits and tours at Valley View Center, eating at Kresge's lunch counter and shopping, especially buying "high heel" shoes at the Army and Navy for 50 cents (fun as a very young girl, and they fit perfect). I also remember her beautiful nails, painting them as she enjoyed her coffee...and always the lipstick kiss she left on my cheek. Coming to stay with her as a young girl was always the highlight of my summer...always so warm and welcoming with open arms...always fun! Thanks for being such a loving Auntie to me... Marjorie

I remember Gwen well from many of our Frontiersman get together's. Always bright and cheery. I remember when she bought a very bright colored jacket for herself from a kiosk I worked at one year at Xmas time. Several fit very well but this one was the one. Very bright and simply the style at the time. Such a lovely lady. RIP.

My sincere sympathy to Betty and family on the passing of their mother Gwen. I worked at V.V.C. for many years-in a different department but when I did see and stopped to talk she was always so cheery. My thoughts are with you.

I worked with Gwen, many years ago at Valleyview, when I was a summer relief worker earning my way through university.
She was always good to me.
