Dennis Leroy Hutchinson

Dennis Leroy Hutchinson, born April 23, 1940 in Prince Albert, passed away at home February 16, 2011. Dennis's main source of life was going to Diversified Services every day. He had a great laugh when it came to rock-and-roll. He loved music, animals, TV, all Western movies, didn't matter who the actors were, it was always John Wayne, as his expression was "I'm a cowboy". Dennis grew up at Valley View Centre until he came to live with the Shanks family 21 years ago. Dennis is survived by his sister Shirley Brack of Calgary and his nieces and nephews. He is also survived by his family of Colleen, Alex, Sherry, Shauna, Jason, Logan, his room-mate Randy Andrechuk and his friends at Diversified Services. A Celebration of Dennis's Life will be held at 1:30 p.m., Tuesday, February 22, 2011 at Moose Jaw Funeral Home, 268 Mulberry Lane. Lunch will follow the service. A private interment will take place in Prince Albert. Thanks Dennis for sharing your life with us.
