We are so very sad we could not attend today's service. Dr. Iverson was such a staple in our hospital and community. His hum I can still hear in the halls of the hospital. We were fortunate enough to get a visit in when he'd be working out in his yard. Always an uplifting and wise conversation. We left better people after even a moments chat. He is missed greatly by those of us outside his close circle, one can only imagine his void within his close circle.

Much love
Cindy and Doug
