To Eldred's Family: Your NL family would like to extend our sincere condolences on your sad loss. I recall the time Eldred left the province of his birth in 1965 & to my knowledge never returned but I know his NL roots were always close to his heart. I often wish my children could have enjoyed their gift of music with their uncle. Today thanks to social media we are able to keep in touch with the next generation and even though we haven't met we have a family connection across the miles. May all your wonderful memories bring you comfort. Sending all our Love, Ann Jerrett & children, Angela, Tina, Jason & Jeffrey, Grandchildren, Colin, Nathan, Amelia, Charlotte & Brooklyn.
