So sorry to hear the of Lynda's passing. I have fond memories of Lynda and recall mom and dad calling Lynda, "little itch". I believe they knew her from a little girl. Please accept our condolences to the family from the Dawson's.

I only now found out about Lynda's passing; we were great friends throughout elementary school, until my family moved to Regina. I will remember fondly, the times we shared. My deepest sympathy to Lynda's family and friends.
