My love and condolences to all who are gathering this weekend in Regina to give thanks and say farewell to Wes. Although I did not see him often or know him well, I perceived him to be friendly, kind, and gentle, and the humble efforts he made to be hospitable were always genuine. His two children are a legacy that shines very brightly in this world, and I give thanks to God for all the other gifts given to this world through him.

Wes, The LORD bless you and keep you;
the LORD make his face to shine upon you and be gracious to you;
the LORD lift up his countenance upon you and give you peace.

Wes will be missed and remembered by many friends and family who knew and loved him. He will be remembered for care and respect for seniors who he often assisted their burdens of growing old.. As a younger man He enjoyed fishing hunting and outdoor camping .. and looked forward to his yearly hunting trip referred to as the festival of the Garlic Sock .Wes was a good friend to many folks they like myself were fortunate to know him. My condolences to

his family and children if Covid keeps me from being at family celebration of his life.

Sincere condolences to the family and friends of Wes. Our family spent quite a bit of time at his home and campground. I remember him well, and always enjoyed his kindness and humour.
