Dear Lowe Family, I have fond memories of Dennis from high school. We even went to graduation together. At university we would run into each other on campus and catch-up. Several years after high school when I was visiting Ottawa Dennis and I and another high school friend met up for lunch. In 2016 we saw each other at the Vanier Reunion. Dennis was always friendly and had stories to tell of his adventures. I considered Dennis a classmate and friend. He will be missed. My thoughts are with his family and friends.
