I only found out today that Russ had died. What a sad piece of news that was. Russ and I were the best of friends when we were students at Brandon University in the early '70's. I lived with Russ and his parents in the summer of 1974 when I worked for H. B. M. & S. in Flin Flon. What a summer that was. He was intelligent and generous to a fault, and I will never forget him. Rest I'm peace, my old friend.
