We are very sorry to hear of Gail’s passing. The description of her journey through life fits her to a “T”. Always kind and gracious, we have lost a very good person. Comfort can be taken in that she has joined her parents in heaven keeping an eye out for the rest of us.
We always enjoyed visiting with Gail although it has been awhile, the memories are still fresh in our minds,
Please accept our Condolences and to have some comfort in knowing that Gail and your family are in our thoughts and prayers.

Gail was my very dear friend and I will miss her horribly. She used to meet with me and a few friends at the A&W and we had wonderful times there! Gail came up with the most intriguing and fascinating questions! I love that she was kind to people and animals alike. My deepest condolences go to Linda and Sandy and all the family.

I am so sorry to hear of Gail’s passing. She was an amazing teacher. I will always remember how she was so compassionate and caring as a teacher of my daughter. If every student would have had her as a teacher they would have loved school. I am so saddened by the passing of this wonderful woman. Sincere condolence to all her family.
