Andy is the best man I have ever been blessed to know; his love and passion for life was so contagious that he made everyday with him such an amazing time. His knowledge and skills are going to be truly missed and all who had the opportunity to learn from him will never forget his undeniable ability to do anything he set his mind to and the joy it gave him to be an amazing teacher because he was darn good at what he did. Jess and Susie you raised the most wonderful man, son, brother, friend and for me the best thing in my life, my best friend, the love of my life and a truly extraordinary man. I will miss him deeply forever as many will too for he left a mark on anyone who was blessed to meet Andy. I love you to the end of the earth and back. You will forever be apart of me and always hold the key to my heart. Until we meet again baby.
