We were deeply saddened to hear of the passing of Kayla. She was a beautiful soul that will be missed by so many. I loved hearing on face book how she was decorating your house and making it into a beautiful home. I loved seeing her pictures of what was done in your house. She has touched many hearts and lives with her journey throughout her illness. I am sure her spirit will be with you always. Our deepest sympathy to Rob, Joey, Logan Vadah, Page, and all of her family and friends. She will be dearly missed by all who knew her.
