Our deepest condolences to all of Dorothy's family. We knew her in our Newberry community and then through bowling. She bowled on my Mom's team for many years. She was a very talented person with so many interests. A life well lived.

Very sad to hear of Dorothy's passing. Many nice memories of the time her and mom at the coop, and when uncle Clarence and Aunt Catherine lived first upstairs at grandma Ericksons then in their house on Fairford west (if memory is correct) every time I saw Dorothy I would remember and think of uncle Clarence. She had such a beautiful smile and was always so kind ! I am grateful I got to see her again before she passed, even though it was at Auntie Doreen's funeral! My deepest sympathy to her entire family. I know she will be deeply missed.♥️
