I had the great pleasure of knowing Rae. She was a wonderful person and a joy to be around. I remember many spirited conversations about politics and simply doing what was right. I smile every time I recall Rae telling some of us how she pulled over and RCMP officer on the highway for speeding past her and lecturing him on obeying the law and only speeding if it was in the line of duty for him. I loved her spirit.

I met Rae when she was my Grade 6 teacher at Empire School. She was a terrific teacher – and there was only one way to do things and that was the “right” way. She was a strong no-nonsense woman with the biggest heart and the most wonderful sense of humour. She challenged some of us to live our best lives. The years went by and we drifted in and out of touch until we became involved in the same politics many years later. We have laughed together – cried together – and prayed together. I had not seen her for quite awhile but I will miss knowing she was here – and miss being in touch. She was indeed a presence in this world – and to her family I am sure. My sincere prayers to the family May the Lord bless you and keep you in this time of loss.

Dear Gordon and family,  
You are in my prayers and heart! I will always remember Rae as an energetic and vibrant person! She was a true gift from the Lord, whom she loved with all her life and being! I absolutely loved to hear her totally joyous laughter! Rae will be dearly missed by you and your family plus many other! I know that she is rejoicing with Jesus right now! I am sad that I can not be with you to celebrate her life but I am at Providence Place for rehabilitation after my hip replacement surgery.

Sincerely, Marion Kenney.

Rae and I met as teachers in 1954 and shared many happy years as friends and cohorts. She was a wonderful teacher and was loved by her students.

I had the pleasure of meeting her parents who were very kind and loving parents who were very proud of their only child.

It was always nice to keep in touch over the years and to see the McIver family grow and flourish.

My sympathy to Gordon and all the family.
