*We knew this time was coming  
But weren't sure just when  
The memories fall from my eyes  
And drip down my chin  
I know that you are now in peace  
Feeling no pain  
I wish I had just one last chance  
To see your face again  
You lived a long and full life  
Outlasting many others  
It comforts me to know you're  
Reunited with your brothers  
You've moved on to a paradise  
Where time does not exist  
Until we meet again  
You'll be so dearly missed*
