To Mrs McLeod and family. Please accept my condolences at your loss. Knowing Mick through the Commissionaires I enjoyed wit, humor and the ability to see the best of situations most would not see anything. I will keep him and you in my prayers.

Howie! How wonderful to hear from you! I actually thought of you when we were in MJ. Thanks for your good wishes. We had an amazing send off for our Dad. God is good. A few single Snowbirds flew over the cemetery while we were there. He would have loved it!

My very deepest sympathies to all of Mick's family at his passing. I met Mick and his family a very long time ago when we lived in PMQ's at the Air Base in Moose Jaw. We lived side by side and shared a back door step. Mick was a good friend of my father, Frank Draper. I ran into Mick

years later while I worked at TD Bank and he surprised me greatly because he knew who I was and it was delightful to catch up on a lifetime of memories. May your family all find peace knowing that so many are remembering what a good and kind man your father/ grandfather was.

Jackie, may the Lord grant you His peace and strength at this time. I worked with Mick years ago when he was in youth work and on programs at Kedleston Camp. And we fondly remember the girls at children's camp there. God's blessings to each one of you!

Oh I am so dissappointed that because of the covid politics I haven't Mick for ages. He was a joy to be around. I loved his jokes and his hugs. Will miss you here on earth Mick, but would not deny you heaven for anything!! I will see you in the Lords time. Live you Jacqui may the God of all peace and comfort surround you.
