I am so sorry for your loss!

I had the pleasure of getting to know Dave in his last decade of life! He was one of the most kind gentle and loving men I have ever met. He always shared stories of his life and always said how blessed he was to have his family.

Pam and I were friends growing up , but at the time never has the opportunity to meet Dave then.

I cut Dave's hair and their are times in our lives that certain people touch your heart and Dave was one of them for me.

Again my condolences go out to your family.
