Sending my condolences for your loss. You probably don't know me but Ed holds a special place in my heart. When I was around 12 Ed was my swim coach at the old Nat. He helped me to become an accomplished swimmer. I have many fond memories of road trips to swim meets around Saskatchewan and Alberta in his new black with red interior 2 door Pontiac Parisienne which he took immaculate care of and eventually sold to me when I was in college. Over the years when I got back to MJ I would look him up to see how he was doing. It's been a while now

since or paths crossed but his friendship will always dear to me!

Rest In Peace my old friend!

I have known Rhoda and Ed over 30 years, it has sadden my heart hearing of Ed’s passing.
The many times I’d spent at their home visiting, laughing and just having a good visit with dear friends
will always remain in my heart. You will be greatly missed.

Peace and Blessings be with you
