TARA JEAN MURRAY

1986 – 2022

Tara Jean Murray, aged 36 years of Moose Jaw, SK passed away on Wednesday, November 2nd, 2022.

She was predeceased by her brother, Jared; and grandparents: Jeanette and Ed Finch, and Russell Murray. Tara is survived by her mother and father, Darlene and Perry Murray; siblings, Justin and Trevin Murray (Belinda, Brooklyn and Hudson); grandmother, Dolly Murray; as well as numerous aunts, uncles, cousins and friends.

Tara fought hard from the very beginning after receiving a kidney transplant in Toronto, ON at only the age 3 years old. She went on to attend elementary school at Palliser Heights and

graduated from Riverview Collegiate in 2008.

Tara could often be found spending time with her family, going to concerts and warrior games, working at Diversified, sipping an iced coffee, and listening to Christmas music in July.

Tara loved with her whole heart. She remembered every person that crossed her path, always said hi to you if she saw you and genuinely cared about how you were doing. She taught us all how to love just a little bit harder.

She faced every obstacle that was put in front of her with a smile on her face.

A Celebration of Tara's Life will be held on Saturday, November 12th, 2022 at 1:30 p.m. at the Cosmo Center, 235 3rd Ave NE, Moose Jaw, SK. Please come and share all of your favorite memories of Tara with family and friends. In lieu of flowers, donations in Tara's memory may be made to the Telemiracle Foundation at www.telemiracle.com. Arrangements are entrusted to Moose Jaw Funeral Home, 268 Mulberry Lane. Gary McDowell, Funeral Director 306-693-4550

I had the pleasure of teaching Tara when she was at Palliser Heights. Every day after lunch hour she and her roommates would bounce into my room for one subject or the other. She had a great smile and was a fun student. I am sure you will have many happy memories to take you through this tough time.

Dear Darlene & family, even though I've only known Tara for such a short time, she impacted my life with her enthusiasm and joy that she felt for her life and the love she had for her family. She was so outgoing and welcoming to everyone that she encountered and I am blessed to have met her. Our prayers and condolences are with you all. May God bless your Angel.

It didn't matter who was there she was missing the ones who were not! She will never be forgotten. May your many
