How do you find the words to honor someone so close to your heart? Saying goodbye to my sister is one of the most heartbreaking experiences i have experienced. My big sister was a little bit of my childhood that can never be replaced or forgotten. She was a friend and confidante. I am heartbroken that I will never know again the joy of laughing with her again.

Rest softly dear sister. You are forever cherished.

We are so terribly sorry to hear of your loss Steve, she was such a wonderful and kind lady. She was always so proud of her kids and grandkids, they were all so loved by her. So many memories from our time at Zellers and when Joann was involved you can bet they were much fun, she will be missed by all who knew her.
